14-18 MART 2018**

## **INTERIO 2018**

JUBILAR EDITION : 14<sup>th</sup> - 18<sup>th</sup> March 2018

**35<sup>th</sup> INTERNATIONAL SPECIALIZED FAIR OF FURNITURE, INTERIOR AND OUTDOOR DECORATION  
AND SUPPORTING INDUSTRY**

### **The Aim**

To give better support to the development of the wood industry through traditional and internationally-known event that brings together many domestic and foreign producers, distributors, traders, experts, business people and end users at one place and at the same time.

### **The Program**

- Presentation of products and services through exhibition space
- Educational program (lectures, congresses, roundtables, seminars)
- Competitions (Product Quality Score, Design, etc.)
- A prize game for visitors

### **The advantages of the INTERIO fair**

- Renowned and high quality traditional international specialized event (in the past years, more than 500 companies have been exhibited and it is visited by more than half a million visitors)
- Supported by the relevant ministries of the state, federal and cantonal level and the Foreign Trade Chamber of B&H
- Cooperation with international associations of furniture manufacturers, wholesalers
- Cooperation with high education institutions
- Informing about world standards in the wood industry, about current condition of this industry in B&H, its potentials and future activities

### **Location**

Center "Skenderija" is located in the center of Sarajevo, the capital of Bosnia and Herzegovina. At the space of 70.000 m<sup>2</sup> there are multifunctional halls where various sport's, cultural and fair events are organized throughout the year, and a shopping center with catering facilities and parking space.

### **Organizer:**

The Sarajevo Fair has been organizing international specialized fair events since 1970.
